**Kilmore’s Got Talent – Yes we have!**

Last Friday afternoon the school community gathered in the stadium for the Grand Final of ‘Kilmore’s Got Talent’. We were entertained with musical numbers by individual and group performers from Prep through to grade 6. The talent and confidence our students showed was amazing. Congratulations to all the finalists who courageously performed in front of such a large audience and to all the entrants who auditioned over the past few months. Thank you to Miss Carmel Miller who has coordinated this much anticipated event. It was fantastic to see so many friends, parents and grandparents joining us to support the contestants. Picking a winner was a very difficult task for the judges! Prizes will be presented at our next full school assembly on Friday 29th November at 2.20 pm.

**Repairs to shade cloth**

At the end of last week, the shade cloth over the P-2 playground was taken down and sent away for repair. It should be re-erected in approximately 2 weeks. Whilst the shade cloth is down it will also be professionally cleaned.

**Working Bee**

This Saturday 23rd November, from 9.00 am -12.00 noon we will be having a Working Bee to finish off a few projects around the school such as the oasis garden, gates for the oval fence, the prep garden, and general garden tidy up. If you are able to help on Saturday please come and join the Building and Grounds Committee.

**2014 Stationery Packs**

Orders will only be placed for families that have returned the Stationery Pack form with payment to the office by Wednesday, 11 December 2013.
Lost Property
With the fluctuating temperatures in Kilmore, we have a growing pile of lost property as students remove their jumpers at recess and lunchtime. Please come and check the lost property for anything belonging to you. A reminder to also ensure items are clearly named for easy identification. As always we would appreciate the support of any parents who would like to sort the lost property for us. If you can help please speak to the office staff for directions.

Have a great week.

Reflection on 2014…….
Due By Dates

Please note the importance of adhering to the due by dates for permission notes and payments. While we do not wish your child to miss an incursion/excursion, late payments make the task of organising events very difficult. We ask for parents to respect due by dates to help make this a more streamlined process for the admin and teaching staff.

Thank you for your cooperation.

Student Banking

School Banking Day is Tuesday, bring your deposit books to the office.

BOOKCLUB

Book Club order forms will be given to students on Wednesday 13th November. The due back date is Thursday 21st November. Unfortunately, late orders will be not be accepted. Please ensure that you put your name on the order.

If you pay online you still need to send your order and your credit card receipt number to school so we can include your order with the school order.
Tolerance: a vital ingredient for your child's success

Kids who accept differences in others are setting themselves up for success in the world of diversity that they will enter.

Want your child to be successful way past the confines of the school gate?

Then you need to make sure your child is tolerant of individual differences and accepting of children and adults who look and act differently to them.

There’s no doubt that success in today’s world depends on the ability to understand, appreciate and work with others. The child who is open to differences is likely to have more opportunities in school, in business and in life in general.

Schools are diverse places

Walk into any school ground in Australia and you’ll witness diversity firsthand. You’re likely to see children from many different cultural, racial and family backgrounds. You’ll also see kids with different needs and diverse ways of expressing themselves. Some kids will wear their hearts on their sleeves, while others will be taciturn and quiet. Tolerant kids are accepting of these differences. They make friends with children and young people who may look and act differently to them.

Intolerance breeds bullying

Intolerance, or prejudice, is at the heart of a great deal of the bullying that occurs among children and young people. Kids who look and act differently or who are more isolated often experience bullying for no apparent reason other than the fact that they are ‘different’. Whole-hearted acceptance and even appreciation of differences is a preventative bullying measure that we can all support.

Tolerance starts at home

Kids learn attitudes such as tolerance from those around them. Children in primary school usually reflect the attitudes of their parents. While adolescents are strongly influenced by their peers, parental attitudes still have a significant impact on their attitudes to other people. In short, if you want your child to be accepting of differences – whether they are racial, cultural, behavioural or in sexual orientation – then make tolerance a family trait. Here’s how:

✓ Help your child feel accepted, respected, and valued. When your child feels good about himself, he is more able to treat others respectfully.

✓ Model acceptance. Kids learn what they live so make sure you welcome differences in others, and be sensitive to cultural or racial stereotypes. It also helps on a practical level to discuss prejudice and stereotypes when they occur in the media.

✓ Challenge prejudice or narrow-minded views. Sometimes kids, knowingly or unknowingly, can say the cruellest things about others. As a parent respectfully remind your child or young person about the impact that a narrow view can have on his or her own behaviour as well as on those it may be directed towards. Intolerance of diversity is an attitude that parents should make a stand against.

✓ Answer kids’ questions about differences honestly and respectfully. Teach your kids that it is acceptable to notice and discuss differences as long as it is done with respect.

✓ Respect individual differences within your own family. Your ability to accept your children’s differing abilities, interests and styles will go a long way towards establishing an attitude of tolerance in the children themselves. By valuing the uniqueness of each member of your family you are teaching your kids to value the strengths in others, no matter how diverse.

Modern Australia is such a wonderful culturally-rich place. This diversity is part of its magic. One way to make sure our children fully appreciate this richness is to fully embrace tolerance in everything we do.
KILMORE’S GOT TALENT GRAND FINAL...
Kilmore’s Got Talent!

On Friday 15th November, some very brave Kilmore Primary students took to the stage to wow us with their talent. Mrs Barker, Mrs Cooney and Mrs McCarthy had the very hard job of choosing who received 1st, 2nd and 3rd position in this competition. After some long deliberating, they made the following decision:

Prep - 2 Competition

1st Chelsea, Bronte, Jada, Gwen, Tayla, Madeline and Annabel
2nd Ella Purchase
3rd Abby, Charlotte, Claire and Jess

3 - 6 Competition

1st Alana Cook and Taya Oliver
2nd Alastair Clark
3rd Casey Jensen

All competitors met some very tough competition to make it to the grand final so everyone should feel very proud of themselves. You have made Kilmore Primary School proud.

A big thank you to the teachers who judged and supervised along the way, giving up their break times to support the students through the process. A special thank you to Mr Thompson for being our ever so reliable music man!

We invite you to come to our whole school assembly on Friday 29th of November (week 8) to watch our finalists receive their prizes.

- Congratulations to everyone
