Hi Everyone, Welcome to Week 6.

INVITATION TO BECOME ACTIVE MEMBERS OF THE SCHOOL COMMUNITY

I am overwhelmed by the response from parents to my Invitation to become an Active Member of our School Community. The large number of responses indicate that parents really want to become involved if they can, and that the school now offers lots of great opportunities for this to happen. I have begun the process of sorting through the responses and you will be contacted shortly if you returned a response sheet. Once again, thank you. Your generosity is much appreciated by the whole school community.

PS – It’s never too late if you are still thinking about it.

END OF TERM FINISHING TIME IS NOW 2.30PM

DEECD have advised that all schools in the North Eastern Region must not finish earlier than 2.30 pm on end of term days for Terms 1, 2, and 3, and earlier on the last day of Term 4 only with the Regional Director’s permission, as per Departmental Policies and Guidelines. This falls into line with requests from VicRoads and Mitchell Shire to keep school finishing times within the times of 2.30 – 4.00pm, as per the road signage around schools in our Shire which help to ensure the safety of our students and school crossing supervisors.

TIQBIZ

We are introducing another ‘tool’ to help with school communication – tiqbiz. This application will send instant messages directly to your phone or other mobile devices, alerting you to school notices, arrival times for buses returning from camps/excursions etc., and copies of school newsletters.

A flyer was were sent home on Monday outlining instructions for downloading tiqbiz to either your PC, Ipad/Iphone, Android phone or tablet. When installing and selecting your child/rens year level, please remember to select ‘WHOLE SCHOOL’ as well as the appropriate year level/s so that you can receive school newsletters etc. Tiqbiz also offers tech support for all parent/guardians.

Spare flyers are available at the office.

To be able to work with children in classrooms, assist in Sport sessions or to accompany a class on excursions, parents need to have a Working with Children’s Check card. You can apply for this at any Post Office. If you already have a WWC card please check that it is still valid and that you have shown your card at the school office so that we can update our records.
From The Principal...continued

SCHOOL COUNCIL ELECTIONS HAVE NOW BEEN FINALISED.
I would sincerely like to thank and congratulate all of the Nominees who put themselves forward to be members of our School Council during this year’s Election Process. As we had exactly the right number of nominees to fill the vacancies, there will be no need for a ballot process. The following table provides a guide of our School Council Members and their Terms of Office. Please feel free to contact any member of School Council if you have concerns that you would like raised at our meetings. We are here to represent and support you.

Have a great week,

Grade 1 Invitation:

The grade 1 students would like to invite a special visitor to come along to join the Grade 1 assembly in the old hall on Friday 15th March at 2.45pm.

This is a special assembly where the Grade 1 students will be demonstrating their commitment to the National Day against Bullying. Slogans, banners & a song will be presented by the students & we encourage members of our Grade 1 community to join us in celebrating our collective commitment to this cause.

Look out for a personal invitation which will be coming home soon!

Warm regards,
The Grade 1 Team

Prep Parent Forum

On Monday 10th March 2014 at 6.30pm, Sharon Blackwell, our School Support Officer, and Julie McCarthy, Student Wellbeing Coordinator are holding a Prep Parents Information Evening.

Sharon and Julie invite all parents, grandparents and carers along to hear about your child’s beginning school story, answer questions and discuss any concerns you may have now that your child has nearly completed a full term of school.

It will be an informal gathering in the foyer of the new stadium; a great chance to meet some of our school support staff and to meet with other parents of our school community.

Tea, coffee & biscuits provided.

For more information or to confirm attendance, phone or email the school, leave a message with your child’s teacher or with Julie McCarthy, Student Wellbeing Coordinator, or just turn up on the day.

2013 Homework Club

Homework club for students in grades 3-6 will commence on Thursday March 21st 3.10 – 4.15 in the school library.

Students interested in joining the homework club need to collect a permission form from the office and return it to school by Wednesday 13th March.
Helping kids deal with rejection

A bit of rejection and disappointment is good for kids, as long as they learn how to cope with it......

One of the keys to functioning socially and emotionally is the ability to deal with disappointment and rejection.

Most children experience some type of rejection from their peers throughout childhood. One study found that even popular children were rejected about one quarter of the time when they approached children in school.

Paradoxically, children’s experience of rejection and disappointment at school is good for them, as long as it’s balanced with successful experiences too. They learn that they can cope and solve problems in their own way and that bad experiences don’t last forever.

And they learn that sadness and disappointment can be managed too, which is an important lesson to learn to take into adolescence and beyond, when life is full of ups and downs.

Helping them move on

Most children recover from such rejection. They move on and form constructive, worthwhile relationships but some children need help. They often take rejection personally, blaming themselves. As a parent it is useful to challenge children’s unhelpful thinking and encourage them to look for new friendship opportunities. Parents can help children understand that rejection may happen for any number of reasons that are unrelated to them.

In the course of a school day children will meet with a number of challenges and even setbacks. They may struggle with some schoolwork. They may not do well in a test and they may not be picked for a game that they wanted to play. Children grow stronger when they overcome their difficulties. The challenge for parents is to build and maintain children's confidence levels to help them get through the rough times.

One way to help children deal with rejection and disappointment is to talk through problems or difficulties, recognising and accepting their feelings. Talk about various scenarios, discussing possible outcomes. The age of your child will determine the amount of detail. Keep things simple and avoid burdening a younger child with concepts he or she doesn’t understand.

Your attitude as a parent can make a huge difference to how a child reacts. If you see rejection or disappointments as problems then your child will be hamstrung by this view. See them as challenges then your child, in all likelihood, will pick up your upbeat view and deal with disappointments easily. After all, confidence is catching!

To help children handle rejection and disappointment try the following four strategies:

1. **Model** optimism. Watch how you present the world to children, as they will pick up your view.

2. **Tell** children how you handle disappointment and rejection. Not only is it reassuring for children to know that their parents understand how they feel but they can learn a great deal by how their parents handle situations.

3. **Help** children recognise times in the past when they bounced back from disappointment. Help them recognise those same strategies can be used again.

4. **Laugh** together. Humour is a great coping mechanism. It helps put disappointment in perspective. It helps them understand that things will get better. They always do.

The stronger the wind the stronger the trees is the notion here. Supporting kids to handle life’s hurdles helps them to develop a lasting sense of resilience, which is essential for good mental and emotional health.

Friday Friends got together in the stadium March 1st for afternoon tea and to discuss health & wellness topics relating to living well in our community.

Rowena Excel, (see picture) from Nexis introduced Friday Friends to the Award Achievement Program (AAP) via a power point presentation. Thank you Julie James for lending us your laptop.

The AAP is an initiative of the Victorian State Government to help schools work through 8 wellness topics. They are healthy eating, mental health and sun protection to name a few.

The AAP requires parent and community involvement to assist in the delivery of the AAP. Teachers may like to address the wellness topics through the curriculum, colouring competitions and guest speakers is another way the topics can be introduced to our students.

A recent survey asking for support from parents to tick which area they would like to become involved in the school community showed that Friday Friends is going to become a popular and productive past time that can do more than network parents.

Pictured with Rowena is Maggie from Lower Plenty Primary School who came along to learn more about the AAP. The lovely 5 participants from KPS who attended, embraced the AAP and were keen to be involved. Solutions to problems were flowing which shows we have an objective group of people not only attending, but supporting the group.

Friday Friends will be held on Friday 15th March at 1.30 pm, finishing at 2.30 pm so that parents may go to unit assemblies if they wish. Everyone is welcome and we have had a special benefactor donate some brilliant toys for parents with kiddies.

Kilmore Girl Guides are holding an open night on Thursday 14th March. Our guide unit has guides ages 5-12 years of age.

We invite new girls to come along and experience guides. Time—4-5.30pm at Kilmore Guide Hall, Cnr Ryans Rd and Foote Street.

A petition has been started to request a footpath on Left/Eastbound side of Lancefield Rd from the new housing sub-divisions—Kingsgate Village, Kilmore Gardens Estate, Willow-mavin Estate. Currently the children are crossing the very busy Conway St without any assistance—a footpath will enable pedestrians safe access to the town and school, in particular children walking to Kilmore Primary School. Please consider signing, Petition is located in the office.
