Big Healthy Breakfast and Book Fair:
Thank-you to all the parent and teacher helpers who assisted with the Big Healthy Breakfast on Monday morning, 18th May, and also to all the students and families for coming along and making this event another ‘healthy’ success! The weather was fantastic for enjoying a bite to eat out in the Outdoor Classroom, and many enjoyed the opportunity to catch up and chat with other parents and friends. Thank-you also to Kilmore Bakery, Coles Kilmore and Woolworths Craigieburn Highlands for donations of food for this special event. Your sponsorship and support means these events can be well catered for!

Congratulations to all the winning ticket holders on your Prizes; many of you wandered straight across to the Book Fair and used your vouchers right away. After announcing winning tickets for unclaimed prizes at the Monday morning assembly, the last 3 winners were located and all prizes given out, so once again well done to you!

The first day of the Book Fair was a fabulous success, so don’t forget to pop in before or after school any week day this week, and preview the books or makes a purchase. All books sold out can be re-ordered and there are several ways to make your payment.

Check out the back of your child’s wish list or pop in to see us at the Fair.

Happy shopping!

CAFÉ Strategy: Infer and Support with Evidence

Have you ever read a book and assumed what the author was saying or feeling without having it actually written down? You make these assumptions using your background knowledge, clues from the story, and pictures. Authors don’t always tell the reader everything they want them to know about the story. In order to better comprehend, children must learn to be detectives and look for clues in the text to understand the meaning of the story. Learning to infer and support with evidence is a strategy used by good readers to better understand what the author is saying.

How can you help your child with this strategy at home?

1. Read to your child and model your thinking as you read. Modeling is one of the most effective teaching strategies.

2. Have your child “read” a wordless picture book. Using the pictures to tell stories helps with the inferring process.

3. When reading with your child, ask some of the following questions:

- Can you explain why the character acted this way?
- How do you think the author might feel about (the character)?
- Think about the setting... what details can you add?
- Figure out explanations for these events.
- What clues can you find in the pictures?

Remind your child that a book detective goes slowly, looks for clues, and uses those clues to support his/her thinking.

Thank you for your continued support at home!

2015 Victorian Premiers’ Reading Challenge

The Victorian Premiers’ Reading Challenge is now open and Kilmore Primary School is excited to be participating.

The Challenge is open to all Victorian children from birth to 16 years in recognition of the importance of reading for literacy development. It is not a competition; but a personal challenge for children to read a set number of books by September 14.

Children from Prep to Year 2 are encouraged to read or ‘experience’ 30 books with their parents and teachers. Children from Year 3 to Year 10 are challenged to read 15 books.

If you would like your child to participate, please return the attached privacy and consent form.

All children who meet the Challenge will receive a certificate of achievement signed by the Victorian Premier and can choose to have their name included on the online Honour Roll.

For more information about the Victorian Premiers’ Reading Challenge and to view the booklists, visit: www.education.vic.gov.au/prc
