URGENT HELP NEEDED

In the last week of this term we are having a major renovation of one of the double portables. This portable is currently used by grade 2/3H and our Spanish classes. This is very exciting. The renovations include replacing the ceiling, some plaster repairs and a total repaint.

In order for this to happen the 2/3 class will be temporarily moved to the library and Spanish classes in the last week will happen in grade rooms.

On Thursday June 16th and Friday June 17th we need to move everything out of the rooms. The furniture and resources will be stored in the Foundation shared space and the shed.

This is where you come into it!!!

If you could spare some time on either of these days to help with the move it would be greatly appreciated.

**Please come to the office and we can assign you a job.
You know the saying 'many hands make light work!'**

Thank you in anticipation of your support.

Have you seen the exciting new beach themed garden located near the basketball court. The beach houses have been painted and the sand has been delivered. The students are eagerly awaiting the completion of the garden so that they can explore and play. Thank you to our hard working volunteers who have are working on this project.

The temperature has rapidly dropped over the last couple of weeks and winter has certainly hit Kilmore. There are a lot of children who are still coming to school without a jumper. It is important that the students still get outside during recess and lunchtime but we want to make sure they are dressed for the conditions so please ensure your child brings warm clothing with them.

Asha's Adventures

Hi there!

Guess what... I stayed at school for the whole day on Thursday! Up until then, I'd been going home at lunch time to help me get used to school. I'm only a young chap, one to be precise, and school wears me out. I'll be staying for some more whole days and eventually I will be old enough and wide awake enough to stay all day, every day.

It's been a busy week for me. I've learnt more about fractions, listened to some excellent readers, kept an eye on the food situation in the yard, been to planning meetings, tried to eat a crayon, learnt some new words and attended my first Wellbeing Team meeting.

I was also lucky enough to meet the first person in the whole school to earn 100 bee tickets this year. A massive effort! I'm hoping to earn my very first one this week. I've been practising being Kind, Proud and Safe so it's just a matter of time before I get one. I'll be sure to keep you updated.

The Grade 5/6s went to Interschool Sport on Friday. I've heard that they were all terrific ambassadors for KPS with lots of good sportsmanship on show. I didn't get an invite, probably because I'm new and they haven't heard of my amazing sporting prowess. I can catch a ball like no other dog in the school!

I've heard lots of teachers talking about reports. I've been reading some of them. They must have taken hours and hours to write because they are so detailed with paragraphs about what every student has achieved as well as some tips for what to learn next. I'm going to ask some of the Foundation students to teach me about school days and weekend days because they know the difference and I don't. I was wide awake on Saturday morning. Miss Crowther had forgotten to set her alarm so it was really very lucky that I woke up at 'breakfast o'clock' so I could wake her up. Apparently we don't need to get up so early on days called 'weekends'. Who knew?!

I can't wait to see you all at the Three Way Conferences on Wednesday 22nd June. You can book your appointment through Sentral or call my friends Kylie and Kim in the office. If you 'sit' and 'down' they might give you a biscuit!

Hope your week has been as pawsome as mine! See what I did there?!

Q & A with Asha

Asha has received more questions this week. His answers are below. If you have a question for Asha, please put it in his blue box at the office.

Q: What do you eat? A: I have dog biscuits and sardines for breakfast, dog biscuits and raw mince for dinner and once a week I have a raw egg. Sometimes I get special treats.

Q: Why did you fail guide dog school?

A: Fail is such a harsh word. I prefer to think of it as being released from my duties. I might not be able to see out of my left eye so well in my old age so I couldn't very well help blind people. I can have an operation and it will be okay for school and family life. Something about **cataracts** – but

I'm a **dog**, so it doesn't make any sense to me...

Now you see
it...

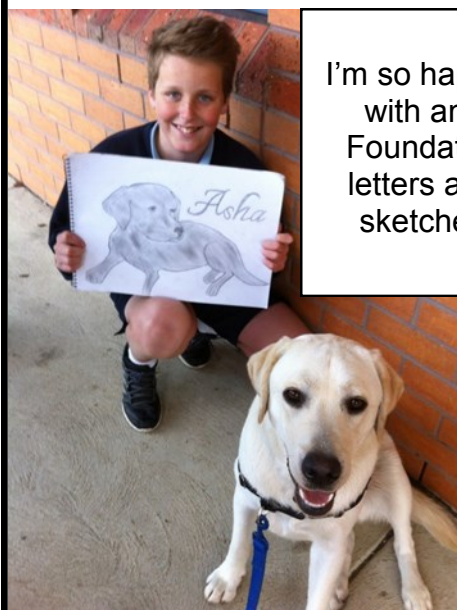

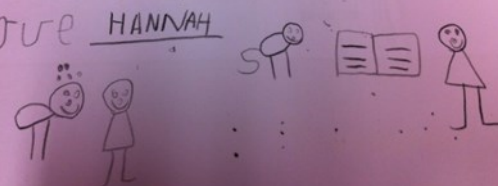

Now you
don't! It's
magic!

I was playing in the ICT lab before school on Friday and a very kind person in Grade 6 dropped off a ball for me. I'm a spoilt little Labrador! I had a great time speeding around the room rolling, chasing and pouncing on it. #dis

TO ASHA
HOPE YOU HAVE FUN AT KPS.
COULD I
READ TO YOU?

LOVE HANNAH

I'm so happy I get to spend my days with amazing students at KPS. Foundation S wrote me a book of letters and I even had my portrait sketched by a Grade 5 student. I'm a lucky Lab!

Down here!

I'm on the Wellbeing Team so I went to their monthly meeting. I was very WELL behaved and slept on my bed. You would hardly know I was even there! When I woke up the meeting was over and nearly everyone had gone.

Do you know that there are boxes of delicious treats delivered each day at 1:15pm? I know, fantastic, huh?! I've been listening carefully and have worked out that they are things called 'lunch orders'. Now I just have to work out how to get one of my very own. A boy can dream...

SEYMOUR LOCAL ABORIGINAL NETWORK (LAN)

SEYMOUR LAN NAIDOC MARCH 2016!

Have you heard that the Seymour LAN is planning a community friendly NAIDOC March through Seymour this year?

We are organising this event in partnership with Mitchell Shire.

Details of the event are:

Date: Wednesday 6th July

Time: 11am start

Starting point: Start of Station Street (we will be walking approx. 1.2km along Station Street)

Finishing point of NAIDOC March: Kings Park

The Seymour LAN and partners would like to invite your whole school community to this special event to celebrate NAIDOC week and Aboriginal culture. We are aware that NAIDOC week falls during the school holidays, but we are hoping that your school will help us promote this event through your school newsletters and other school networks!

We would love to see schools walk along beside us and if possible carry a banner or something similar to show their support!

If you would like to discuss this event further and how your school community might be involved please make contact with me to discuss further. My contact details are (03) 9665 9507 or Deborah.evans@dpc.vic.gov.au.

Thankyou
