Thank you for your support

From the Principal's Desk.....

Welcome to Term 4 Week 10 at Kilmore Primary School.

Storage Help Needed

As you will be aware, we have four new classrooms operating next year. This has meant some major shuffling of resources. We desperately need help with the storage of some large mobile stage platforms. They are about 1.5m wide, 2m long and 50 cm high. We have five of them. If you have a shed or covered areas where they could be stored, it would be greatly appreciated. We do not use them very often but they are too good to throw away.

Thank you

I would like to thank the Studd family who are donating a large skip for the removal of end of year rubbish. This will save the school a considerable amount and I thank them for their generosity.

Grade Structures for 2018

By now you will all know your child's grade placement for next year. I am very excited about the structure for 2018 and the ideas that are already being discussed for programming next year. We do have one unit that will consist of five 3/4 composite grades. There are several considerations that went into this decision and I believe it is a great outcome. As it is new, I will run a forum on Tuesday December 19th at 9.00am for anyone who has any questions.

ACER Certificates in Mathematics and Reading

Earlier this term, a group of students in Grades 2 to 6 completed online maths and/or reading tests. There were three levels of tests to choose from and each student answered 50 multiple choices questions written by ACER (Australian Council for Education). Congratulations to all students who took up the challenge. Persistence, problem solving and enthusiasm were all on display during the 90 minute testing session.

Certificates will be presented at assembly on Friday 15th December.

Thank You

Last Thursday afternoon I was pleased to be invited to Lancemore Hill Conference Centre to receive the donation of two bikes for our school raffles. The bikes were put together by a team of managers from Boral Constructions working with Total Team Management, a company who work closely with Bully Zero. Look out for tickets to the Christmas raffle at our school BBQ & Christmas picnic this Thursday evening and you might be lucky enough to win a fabulous new bike.

*Kilmore Primary wishes to thank Bully Zero, Total Team Management & Boral Constructions.

2017 KPS XMAS Raffle Ticket Purchases

This year we have added another way to purchase Raffle tickets to our usual buying at select times after school and at the Xmas BBQ itself (these will still be available) but this is for those who can't get there at those times or would just like the ease of handing in this form and money for the tickets and then getting tickets sent home with their child.

Tickets are \$1 each and we have already sourced some fantastic prizes such as;

- Toyota Vouchers
- Family Pass to Science works
- Family pass to the 4 attractions at Phillip Island
- Family pass to Melbourne museum
- Many more, and more to come

Childs Name (this will also be the name on the tickets): _____

Childs Class: _____

Number of tickets to purchase: _____

Total Money Enclosed: _____

Please Note money can only be paid with CASH
