From the Assistant Principal’s Desk - Week 5 Term 1

KPS Clubs
Tuesday afternoon is a very exciting time at Kilmore Primary School when everyone is involved in our Clubs program. Students have the opportunity to be involved in a wide range of activities such as drama, bike education, cooking, computers, games and sport. The KPS CLUBS program supports students by developing positive teacher and child relationships across the school. CLUBS provides children with enrichment learning opportunities and broadens their depth of knowledge in a variety of areas and encourages parental involvement in our school community. Students are encouraged to make new friends and try new activities. Yesterday I went and visited some of the clubs activities and it was fantastic to see the engagement and enjoyment from everyone involved.

Mitchell District Swimming Champ
Last Friday an enthusiastic group of grade 3-6 students proudly represented Kilmore Primary School at the Mitchell South Swimming Championships. Mrs. James reported that it was a great day and the students were fantastic. KPS won the best average score shield – congratulations to our team, we are very proud of you. We have four swimmers going through to the Whittlesea Division Championship next Monday – Luke Jenkin, Abi Ross, Alastair Clark and Molly D’Alessandro. Good luck to each of you!

School Council Elections
The School Council Election process is now underway. If you would like to submit a nomination please collect a nomination form from the office. Nominations close on Thursday 26th February.

Keeping Our Kids Safe
In last week’s newsletter, Mrs. Barker asked parents to please put the safety of ALL children first by observing the School Council signs and not parking in the staff car parks. It is extremely dangerous for cars to be entering and exiting the carparks at drop off and pick up time with so many pedestrians and riders around. We would again ask parents to observe these signs.

Foundation Students Start Full-Time
Our Foundation students have settled into school life extremely well during their first 5 weeks at KPS. From Monday 2nd March, Foundation students will attend school 5 days per week and finish at 3.10pm in line with the rest of the school.

2015 School Council Elections
This year, we require nominations for the following positions:

5 x Parent Category Members

and

1 x DE&T Category Member

Please collect the nomination forms from the office.
You can nominate yourself or someone else (with their permission).
If we get more nominations than positions vacant, we will conduct a ballot.
Nominations Open – Thursday 19th February
Nominations Close – Thursday 26th February
If necessary, Ballot prepared by Wednesday 4th March
Vote Count – Wednesday 11th March
Community Notified through Newsletter on 11th March

Please think about nominating yourself – everyone has something to offer. Perhaps you would like to nominate someone else who could make a positive contribution? Every year, the membership of School Council changes, and every year we have a group that consists of a range of parents and teachers with diverse interests and backgrounds. You don’t have to be an expert, you just need to have a real interest in working with a team to create the best opportunities for our students. This is what makes School Council so special and representative of the whole school community. If you would like to discuss the role of School Council, or seek clarification about being a School Councillor, please contact me at any time. I look forward to hearing from you.

Manners Matter

This week's focus—

"Time on Task"
Kind, Proud and Safe
at all times

Jade Mitchell 3/4T displayed our school values of Kind, Proud, Safe and very good manners last week when arriving at school he stood to one side to let others into the front of the school, all with a big cheery smile.

WAY TO GO JADE. THANKS!

National Red Balloon Day
Friday the 27th of February 2014

Kilmore Primary School Thank You Kilmore CFA

Students and Staff at Kilmore Primary School are celebrating National Red Balloon Day. We will be giving thanks to the brave hard work of our CFA. We know you are special members of our community in the Kilmore CFA team. You are our mums, dads, sons and daughters, neighbours, uncles, aunts, grandparents and friends. You are ordinary people with extraordinary courage and community spirit. To show our appreciation we are decorating the school with red balloons and banners. Kilmore Primary School has the values of Kind, Proud, and Safe and we see them with the CFA. Together as a school we will acknowledge how proud we are of the kind work the CFA do keeping you safe.

CFA
We Thank You
The day was hot and sweaty on the 20th of February. The students were brave and bold to try out for such a hard achievement. When they arrived many people were nervous, the swimming carnival took place at Lancefield Leisure Centre. The different strokes were Freestyle, Breaststroke, Backstroke, Butterfly, Medley and Relay. The different age groups are 9 to 13’s. The carnival was great because the amount of effort everyone put in. At the end Saint Patricks won again but K . P .S won the best average score trophy for the first time! It was a great moment to see happen. When we got back, everyone was proud of themselves. Not many people made it through but we were still all proud of each other!

Peer Mediation

Peer mediators work as a team to encourage students to use Kind, Proud and Safe behaviour in the yard.

We hand out bee tickets as rewards for the students using good behaviour.

Instead of telling kids off, we brainstorm ideas for how we can play nicely and safely in the yard. We always listen to both sides of the stories and never take sides with students.

Last week, Mrs McCarthy asked two girls; Myra and Ash to stand up at the front of our anti bullying assembly. They told us about peer mediators and how it’s not just us who can solve your problems - you can also solve your own problems. If the situation is getting violent, then we tell the teacher but that is very rare. The peer mediators are for sorting out friendship problems. If you go up to a teacher with a friendship problem, they will send you to us and if you come up to us for any other reasons, we will send you to the teacher and they will help you.

Peer mediators are always on recess and lunch five days a week. Never be afraid to come up to us.

Teachers are only there for violent activities and lots of other things.
The National Day of Action Against Bullying and Violence Challenge

On the 20th of February, Mrs McCarthy set our school, Kilmore Primary School, a challenge.

The challenge is to reduce the amount of incident reports. An incident report is how the school keeps track of major incidents.

The National Day of Action Against Bullying and Violence is on the 20th of March.

The 5/6 unit has taken Mrs McCarthy’s challenge and now we are doing our very best to make the incident reports go down and our values go up.

Remember the National Day of Action Against Bullying and Violence is on the 20th of March, not the 20th of February. To celebrate, Mrs McCarthy will be hanging the flags that students have made in their grades, around the school.
Happy Birthday

Happy Birthday to the following students who are celebrating their birthday in the coming week. We hope you have a lovely day.

**SWIMMING**
The Mitchell South Shire District Swimming Carnival was held last Friday at the Lancefield Pool. Mr Gillett and I had the pleasure of accompanying the 23 students who were selected to represent Kilmore Primary School. Even though the water was a little cold on the day all students performed exceptionally well showing great sportsmanship. It was terrific to see students supporting one another on the day and Kilmore Primary School definitely had the best cheer squad – Well Done team J

Congratulations to St Pats PS for winning the carnival.
And an even bigger CONGRATULATIONS to Kilmore Primary School for winning the Best Average Score Shield. Great Effort Everyone - You were all BRILLIANT!
I would like to thank Bev Hart and Bernie Jacobs for all their help on the day as well as all the other parents who were there to support the students on the day.

I am very proud to announce that the following students will now go on to represent the Mitchell South Shire District at the Whittlesea Division Swimming Carnival to be held on Monday 2nd March at the Northcote Aquatic Centre.

Foundation Colour Days

Dear Parents/Guardians,

During February and March, each available Tuesday has been designated as a particular colour day. This focus provides a wealth of discussion, which can then be linked to our literacy and numeracy programs.

Children are able to wear clothing of the particular colour if they wish – this dressing-up is entirely optional – we know that some children enjoy the opportunity, others are more reserved, and sometimes we simply forget.

3rd February       RED DAY
10th February      BLUE DAY
17th February      YELLOW & ORANGE DAY
24th February      PINK & PURPLE DAY
3rd March          BLACK & WHITE DAY
10th March         SPOTS & STRIPES DAY
24th March         GREEN & BROWN DAY
Thursday 19th March RAINBOW DAY

Please note the one Thursday change is due to School Photos on Tuesday 17th March.

Regards,
