Last Thursday KPS Boys' Basketball team travelled down to Mill Park Stadium to compete in the Whittlesea Division Basketball Competition after winning the Mitchell Shire District Tournament earlier in the year. They had to play in the Semi Final and if successful played in the Grand Final. All the boys are to be congratulated on their efforts on the day showing great team work and sportsmanship. The boys did make it to the Grand Final but were up against some tough competition and finished runners up. Congratulations to Jesse, Daniel, Nathan, Josh, Seth, Sam, Harrison and Blake for finishing second in the Whittlesea Division Basketball Competition. A special thank you to Kylie Mutz and Mrs Radi for transporting, supporting and coaching the boys.

### ATHLETICS

Congratulations to Daniel, Jesse, Jazmin, Grace, Jacqui, Takara and Grace who have all made it through to the Regional Athletics to be held at Meadowglen International Athletic Track Epping this week. On Thursday, 9th of October Josh, Nathan, Sam, Seth, Jesse, Daniel, Harrison and Blake from the 5/6 unit represented Kilmore Primary School and our school district in the basketball finals. The boys were scheduled to play against Findon Primary School in the semi final, but they did not arrive which meant we went straight through to the grand final! The final game was tough against The Lakes South Morang P-9 School. The boys played very hard and displayed our school values constantly. Well done!

## Gardening News

Hello everyone, well this term is set to be another busy one in the yard and gardens at school. Here are just some of the activities we have planned...

Grade 2 clubs are going to create a garden and play area near their portables which will have a combination of flower beds, vegie gardens and art.

The Prep area garden is being created with the help of Men's Shed and some eager 5/6 boys. A magic gateway, bamboo tunnel, miniature village and garden gnomes are sure to make this a special place for exploration.

A group of keen gardeners are making plans for adding to our bamboo garden; adding art and appropriate plants to create more of an oriental atmosphere.

Wednesday lunch times gardening activities will be available, where we will be propagating from cuttings and seeds. We were lucky enough to receive seeds from Mr. Fothergills over the holidays which we look forward to watching grow.

On the oval we will be creating a seating and play area for the kids to enjoy under the shade of the trees. We have some reclaimed logs which the children are loving climbing over and sitting on already. We also have some Desert Ash trees to plant on the northern end of the oval which will provide extra shade once they have grown.

In December we will be planting up a poppy field in preparation for the 100th Anzac Day next year, a wonderful way to show we remember the legacy left for us by of our Anzacs.

As you can see we have loads planned and we would love any help we can get.

If you can help with the Grade 2 club or lunch time group on Wednesday we would love to have you. Also keep your eyes peeled for an invitation coming home soon, we have a working bee after school on Friday the 31st of October. There will be lots of different ways to be involved, so even if you are not a gardener, there are ways to be involved.

Enjoy the (hopefully) sunny spring days.

The Garden Group

(Any donations of small pots would be greatly appreciated please, thank you.)

## Visiting Students from Japan

On Tuesday, 14th October we had a visit from a group of Japanese students and teachers who came to explore our bush tucker garden.

The group are visiting the Mitchell Shire this week as part of the Mitchell Honbetsu Sister City Association.

Thank you to Tina and Tracey for sharing with our visitors interesting information about our bush tucker plants and providing some tasty treats for them to sample from the garden.

Thank you also to Zan and Indy for helping to show the students around.

The students also enjoyed the opportunity to visit come classes, interact with KPS students and practise their english.

## Walk to School October 2014

It is that time of year again, WALK TO SCHOOL TIME!!!

This year things are going to be a little different; we are aiming for you to walk to school as much as possible instead of travelling by car. If you can't walk the whole way, start off by parking a street further away and trying to increase your walking distance each day or week. Kids should be getting at least 60 minutes of physical activity every day!

At school we will record who is walking to school and then use the results to enter a competition where we can win great prizes for our school, the school who walk the most will win. If we all try our best I know we can do well. Forms to participate in Walk to School month are available at the office.

On Wednesday the 22<sup>nd</sup> of October will be our Walk to School from Hudson Park. We will meet from 8 a.m. for families and friends to walk together to school. If you can please decorate your shoes or legs for fun, this year the logo shoe is covered in sea creatures, maybe you could choose something relating to the sea?

Stay tuned for more exciting activities relating to 'Walk to School'.

# Premiers' Reading Challenge

Many congratulations to the 43 students who successfully completed the Premiers' Reading Challenge. This is a great achievement for the Preps, Grade 1s and Grade 2s who had to read at least 30 books each and the Grade 3s, 4s, 5s and 6s who had to read 15 books each. In total, Kilmore Primary School students read 1952 books! Reading every day has enormous benefits for children's brain development, thinking skills and language, so it is wonderful to see so many children involved again.

The Premiers' Reading Challenge website will be publishing an online honour roll and congratulatory video this month <http://www.education.vic.gov.au/prc> and the Kilmore Primary School Challenge Champions will be announced in December when the certificates are issued. Well done everyone!
