**5th February 2014**

#### **WELCOME TO THE NEW SCHOOL YEAR!**

Hello Everyone and Welcome to KPS in 2104!

It was very exciting to greet and welcome back all of our students, parents and members of the KPS Community on Thursday 30th January, our first day of school for 2014. I would like to formally welcome all new students and families to our school, and trust that Kilmore Primary school will provide a positive and rewarding learning journey for your child over the years to come.

It is always such a happy and emotional moment when the Preps start their first day of school. A great turnout of parents, brothers, sisters and grandparents came on the first morning to be a part of this very important day in the lives of their little ones. Our Prep Unit Leader Mrs Kelly informed me that this year's group of Preps are very 'together' and 'well prepared' for school. That is very pleasing to hear as it gives them such a great head start.

During the first two weeks of school, your children will be involved in a range of activities as part of our start up program 'Ready, Set, Go!' They will be learning about our school values and rules, teacher and student expectations, getting along, goal setting, classroom routines, and how to be a contributing and successful member of the KPS Learning Community.

#### **STRATEGIC PLAN 2013 - 2016**

This is the second year of our Strategic Plan for the period 2013 -2016. Our Curriculum goals are to improve student learning outcomes with a particular focus on Literacy and Numeracy. We aim to improve and extend our Differentiated Learning strategies to cater for the individual needs of each student to help them achieve success and their personal best. Spanish will be introduced across the whole school P-6, along with our Integrated Studies and focus on Global Citizenship.

Our strong Student Wellbeing program will continue to grow with the main areas being our involvement in the Kids Matter Mental Health and Wellbeing initiative, Bully Stoppers program and the School Wide Positive Behaviour Support program.

This is the **KPS Vision Statement:**

***Kilmore Primary School fosters a community of learners who are confident, creative and challenged to achieve their full potential within a safe, happy and supportive environment.***

These are our **School Values:**

***Kind, Proud, Safe (KPS)***

***Be Kind*** – Social and Emotional Learning and Values Education, being a Responsible, Active and Caring member of our Learning Community

***Be Proud*** – High Expectations for Academic Learning, Positive Involvement in all School Activities, Pride in our School and in our Learning Environment, Pride in Self

***Be Safe*** – Safe and Secure Learning Environment, Safe Practices, Student Engagement and Wellbeing

These School Values are linked with our Student Engagement Policy, Kids Matter initiative, School Wide Positive Behaviour Support Program and our Bee Ticket reward system. You will hear much more about all of this, including activities and competitions as the year progresses

### **SCHOOL COUNCIL ELECTIONS**

Our School Council consists of 8 Parent Category members and 4 DEECD members. Each year, we conduct School Council elections to elect 4 new Parent Category members and 2 DEECD Category members in February/March. Please have a think about nominating yourself, or nominating someone else who you think might be a good School Councillor. I will send more information home separately to the newsletter prior to the Nomination period. In the meantime, I would love to hear from you if you have any questions.

### **LITERACY AND NUMERACY CURRICULUM STRATEGIES**

Literacy: Jenny Renton is out of the classroom full time in her role as Leading Teacher – Literacy.

Numeracy: Tracy Hecker has two days out of the classroom in her role as Numeracy Leader.

These two teachers will be working with teachers and students in their classrooms, providing coaching, modelling and support for students and teachers to improve student learning outcomes.

### **INFORMATION & MEET THE TEACHER NIGHTS**

This year, our Information & Meet the teacher nights are held in February. Prep information night will be on Monday 10th and all others will be in the week of Monday 17th—Friday 21st February. There will be a short information session and then parents can meet their children's teachers and have a look at their learning spaces. Keep your eye on the Calendar for the dates for each Unit.

### **PREP PARENTS MORNING TEA**

Prep Parents are invited to a special morning tea which will be held in our Stadium on **Friday 15<sup>th</sup> February from 9am – 10am**. This will provide an opportunity for us to welcome our Prep parents to our school community and for them to meet and chat with other Prep parents. Hope to see you there!

### **SUNSMART**

Kilmore Primary School is a Sun-Smart school, so please ensure that your child has an approved KPS hat to wear when outside in the school yard. If your child does not have an approved hat, they will be asked to move into a shaded area and may not be able to play where they like or take part in outdoor sporting activities. Please refer to our Sun-Smart Policy which is on our school website.

### **PARENT HELPERS**

We encourage all parents who have the time to volunteer as a parent classroom helper, even if it is only for a small amount of time each week. Your child will love to see you taking an active role in the classroom and the other students will benefit greatly from your generosity. Please see your child's classroom teacher if you are interested.

### **MATHS RESOURCES**

We are in need of assistance in making our school set of Numeracy Fluency Resources. If you have a little time to spare, whether it is at school or home, we would love to see you. You could leave your name with our Numeracy Leader, Tracy Hecker (Year 2 Unit), or come and see me. These resources benefit all students in the school.

## **PARKING REMINDERS**

Parking can be tricky around the school during pick up and drop off times, but I urge you to put the safety of the students first and take note of the Parking Signs. There are bus zones and disabled parking zones on Sutherland Street and Lancefield Road, and the Council will issue parking fines if you are in the wrong space at the wrong time.

## **ASSEMBLY**

Our first Whole School Assembly for the year will be on **Monday 10<sup>th</sup> February 9.00 am** in the school hall at the Sutherland Street end of the school. Whole school assemblies are held fortnightly and there are Unit Assemblies in the other weeks. You will receive information about the Unit Assemblies shortly. All parents and members of the school community are welcome to join us.

## **SCHOOL CAPTAINS AND SRC BADGE PRESENTATIONS**

**Diary Note: Monday 17<sup>th</sup> February – Special Assembly at 9.00 am.**

Rob Mitchell MP will be presenting our School Leaders with their badges and speaking to the students about Leadership at this special assembly. Parents and families of our school leaders are very welcome to attend and bring their cameras if they wish. All welcome!

Kind regards

Denise Barker  
Principal

# ¡Hola a los padres!

I would like to introduce myself as the new Spanish teacher at Kilmore Primary School. I have been fortunate to spend a number of years living in Spain, Mexico and Argentina, which has developed my love and passion for all things Hispanic!

It is exciting to be part of this wonderful opportunity and I look forward to sharing this experience with the Kilmore PS community. I would like to thank the staff for their hard work in laying the foundations to re-establish the LOTE program at the school.

## **Information:**

In Term One, each class will receive one Spanish lesson per fortnight (Preps will receive an additional session). Given our time constraints, I will conduct all lessons in Spanish to provide students with maximum language exposure. Students may initially find this method challenging but I am confident they will soon become familiar with the sounds of Spanish through the use of imagery, body language/gestures, songs and repetition. This targeted language approach aims to develop their oral and listening comprehension skills. The themes for our Spanish classes in the first term will focus around introductions, basic greetings and family.

It is important to remember that language learning is hard work, and takes many years to become proficient. Our new program at KPS is a 'taste of Spanish,' and aims to expose students to the rich language and cultural diversity of Spain and Latin America. Content will be integrated with other curriculum areas such as Art, History and Science to ensure that students can see its relevance and connections.

Over the next few months, I will be working closely with our new sister school in Toledo, Spain to develop a working relationship with them. This will be an exciting experience for the students to interact with native speakers of their own age.

During the year, I also hope to arrange a few 'Spanish afternoons' for students, staff and families that will offer an insight into some of the cultural aspects of our language program. If you have ever wanted to learn how to dance salsa, maybe this will be your chance!

Using the newsletter, I will keep you updated with resources or websites that students may like to use at home to maintain their Spanish exposure during alternate weeks.

Learning another language is a wonderful opportunity to develop students' literacy, resilience and exposure to different cultures. I will endeavour to ensure that your child's language learning experience is a positive, fun and empowering one. Please do not hesitate to contact me via the office if you have any questions about the new program.

¡Muchas gracias!

Lauren Gould

## Kilmore Primary School Positive Behaviour Support

At Kilmore Primary School we explicitly teach, promote and expect positive behaviour from the whole school community

We do this during assemblies, class values lessons and in the school yard

60

Tickets

We acknowledge positive behaviours by awarding bee tickets. Students receive bee tickets for displaying our school values:

BE KIND  
BE PROUD  
BE SAFE

BE

BE  
PROUD

BE  
SAFE

Share the Good News.....

Each staff member will communicate with parents (e.g. verbally, by a note or letter or a good news phone call) highlighting the positive behaviour their child is developing whilst at school

Other ways we reward positive behaviours are:

- School/Unit newsletter
- Student of the week
- Leadership opportunities & responsibilities
- Verbal praise and acknowledgement
- Rewards

In the event that direct teaching and positive intervention and support do not achieve the appropriate behaviour then procedures will be put into place to further support your child to be socially successful.

**Peer Mediators: Jacqui Warriner and Brooke Carman. Look out for Jacqui, Brooke and other peer mediators in the yard at recess and lunch and say Hola (hello)**

**At KPS a number of grade 6 students have been trained to be peer mediators. Peer mediators help reduce incidences of bullying by providing a school environment that is positive, caring, safe and friendly. Peer Mediation teaches students to resolve low-level conflicts using their peers as mediators. Mediation opens up communication channels allowing the disagreeing students to discuss their problems and come to a resolution with the guidance of the mediators. Look out for the peer mediators in their bright yellow vests at recess and lunch.**

## **SWIMMING TRIALS**

Swimming Trials are to be held on Friday 7<sup>th</sup> February at the Kilmore Leisure Centre. Children will have the opportunity to trial in any of the 4 events - freestyle, backstroke, breaststroke and butterfly over 50m.

**For children's own safety it is important to note that they should be confident in swimming 50 metres without stopping in order to trial.**

A team will be selected to represent Kilmore Primary School at the MSSSA District Swimming Carnival to be held at the Lancefield Pool on Friday 21<sup>st</sup> February.

On Friday we will leave school at 12.00p.m and walk down to the pool. I expect the trials to take around 2 hours. Children will need to wear their school uniform and hat and bring their bathers, goggles, swim cap (if they have one), towel and sunscreen along with lunch and a drink (no lunch orders). Children will not be permitted to purchase anything from the canteen.

If anyone has any concerns or queries please feel free to contact me at school.

In order for your child to attend the excursion please complete and sign the parent permission note, medical consent form and return it to school with \$3.60 by **Tuesday 4<sup>th</sup> February.**

If any parents are available to help out with starting, timing and marshalling on the day it would be much appreciated.

If anyone has any concerns or queries please feel free to contact me at school.

## **AASC**

As in previous years, we are again offering the children in grades 5/6 the opportunity to be involved in the Active After School Communities program this term. The program has been a tremendous success over the years and we are excited to again be offering the children the opportunity to participate in active pursuits.

Due to previously arranged meeting commitments we will conduct our program on Tuesdays and Thursdays each week. Both nights this term will be Multi skill sessions which will involve skills, games and sports with a strong emphasis on fitness. This will be a similar program to those which have been coordinated in the past.

**The program will commence on Tuesday & Thursday, Feb 11<sup>th</sup> & 13<sup>th</sup> respectively and run for 7 weeks. Therefore I will need all letters of interest back by Thursday 6<sup>th</sup> Feb.**

This will enable the coordinators to work on groupings and get specific information back to parents before the programs commence.

If parents could please indicate on the form below which day their child would like to attend. A Parent Consent form will then be sent home for parents to complete.

Please note students must return the Parent Consent form before starting the program.

**The expression of interest form needs to be back to school office by Thursday 6<sup>th</sup> Feb.**

If you have any questions or queries please feel free to contact me at school.

### PREP COLOUR DAYS

Dear Parents,  
During February and March, each available **Tuesday** has been designated as a particular **colour day**. This focus provides a wealth of discussion, which can then be linked to our literacy and numeracy programs.

Children are able to wear clothing of the particular colour if they wish – *this dressing-up is entirely optional* – we know that some children enjoy the opportunity, others are more reserved, and sometimes we simply forget.

- February 4th - RED DAY
- February 11th - BLUE DAY
- February 18th - YELLOW DAY & ORANGE
- February 25th - PINK & PURPLE DAY
- March 4th - BLACK & WHITE DAY
- March 11th - SPOTS & STRIPES DAY
- March 18th - GREEN & BROWN DAY

### **FOUNDATIONS LAID FOR NEW OUTDOOR SEATING**

You may have noticed the new concrete pads that have been laid at the top of the oval. These are to support new outdoor seating for our students. The project has been funded through the generous donations from family and friends of Kilmore Primary School at our Walkathon last year. The gardening club and Tina will be planting trees to provide shade. Thank you to Sam Ireland and David McBean from the School Council Building and Grounds Committee for organising this asset to our school.

## ***Prep Families Morning Tea.***

*Parents and families of our new Prep students are invited to come along for a chat and a get-to-know you morning tea in the foyer of the stadium at 9.00am on Friday 14<sup>th</sup> February. It will be a great chance to meet new mums and dads in an informal gathering and a chance to share and swap beginning school stories.*

For more information or to confirm attendance phone or email the school, leave a message with your child's teacher or just turn up on the day.
