Education Week

Last week we celebrated Education Week at Kilmore Primary School. We were able to show case the educational programs and facilities we offer to our future 2014 Preps on our school tours. Thank you to Kara, Ashleigh, Callum and Riley from our student leadership team who proudly promoted our school and answered questions. Our annual 'Walk to School Day' and the 'Big Breakfast' saw lots of families participating. Thank you to the parents, students and teachers who supported these events. A special thank you to Ms. Julie McCarthy for all the work she put into organising these activities and making the week such a success.

We work hard at Kilmore Primary School to ensure that all learners achieve their full potential. Teachers meet regularly to discuss student progress and the best strategies to meet their individual learning needs. Last week teachers worked together in Unit teams for a half day to reflect on student progress so far this term and plan for their next stage of learning.

Our School Wide Positive Behaviour Support team (SWPBS) attended a training day in Benalla last Tuesday. This team works together to further develop our behaviour management plan and promote our values thorough the explicit teaching of positive behaviours both inside the classroom and in the yard.

Cross Country

Congratulations to the large contingent of students who represented Kilmore Primary School at last weeks inter school Cross Country in Pyalong. Well done to all our competitors for your effort and sportsmanship (it is a long way to run up and down hills!) and special congratulations to those students who were successful in making it to the next stage of competition.

Lost Property

As the cooler weather is upon us the lost property cupboard is full to overflowing. Please ensure that clothing, particular jumpers and jackets, are clearly named. This way misplaced clothing can be returned as soon as possible. A reminder too, that the uniform shop is open every Friday afternoon if you need to purchase some winter items. A number of children have been coming to school lately in non school uniform garments and we ask for your help in ensuring we proudly wear our correct school uniform.

Have a great week.

Assistant Principal

LOST PROPERTY

We are in need of your help. Our 'Lost 'n' Found cupboard is bursting at the hinges. If you can spare some time to come in to school and try to find the owners for the lost items we would love to hear from you. You may only be able to offer an hour here and there. Please come to the office and we will steer you in the right direction.

Due By Dates

Parents please note the importance of adhering to the due by dates for permission notes and payments.

While we do not wish your child to miss an incursion/ excursion, late payments make the task of organising events very difficult i.e. finalizing numbers and money.

We ask for parents to respect due by dates to help make this a more streamlined process for the admin and teaching staff.
