From The Principal.....

Hi Everyone,

Welcome to Week 8, Term 2. Where has the time gone? It seems to be flying by us very fast this term. The cold weather and shorter days are here and we are beginning to have some days where the students need to be inside for recess and lunchtime. If your child has a quiet game or activity at home that they would like to bring to school to keep here for the inclement weather days, they are welcome to do so.

Bully Stoppers – New Resources for Parents

Bully Stoppers aims to provide practical advice, information and strategies to support everyone to ‘make a stand, lend a hand’ and stop bullying. Two new online modules have now been added to the DEECD *Bully Stoppers* online toolkit. Both modules were developed in partnership with experts, and are linked to fact sheets and animated videos. You can access the DEECD *Bully Stoppers* online modules at: www.education.vic.gov.au/about/programs/bullystoppers/Pages/parentmodules.aspx

Police in Schools Visit

We are very happy to announce that we have secured the services of Peter Clarke from Seymour Police Youth Services to visit our school this Thursday, and then to come on a regular basis after that. Peter will be speaking to the students in their Unit groups and will be out in the yard with students during recess and lunchtimes on the days that he visits us.

Student Free / Curriculum Day–Tuesday 11th June

Next Monday is a public holiday for Queen’s Birthday. The following day, Tuesday 11th June is a student free day at Kilmore Primary School. Staff will be having a professional learning day to build our knowledge and understanding on the latest developments in the teaching and learning of Numeracy and Literacy.

Lost Property

The Lost Property bin is overflowing again. It's hard to believe that so many items accumulate in such a short amount of time. If the item is labelled with a name it will be returned to its owner, however, it is impossible to return anything that is not labelled. If you notice that you are missing any items that belong to your child, please come and have a look through the lost property bin. Any un-named items that have not been collected by the end of term will be sold or given to a charity as we can no longer store such large amounts of clothing for an indefinite period.

Have a fantastic week everyone,

Cheers
Denise Barker

LOST PROPERTY

Thank you to the ladies who came in on Monday and sorted through Lost Property. As a result, we have a large amount of unnamed items that will be held until the last week of term. Any un-claimed items will then be offered in a "quick sale" at the end of the day Wed 26th June—\$2.00 per piece. During Semester 2 we are considering a Parent Lost Property Roster. Please stay tuned for an expression of interest form.

Tiqbiz app update available

It will also improve app speed and support the new tiqbiz newsfeed platform. The update is available for phone and tablet apps. Computer app will automatically update.

Go to www.tiqbiz.com and click on 'help' to find out more. When installing and selecting your child/rens year level, please remember to select **'WHOLE SCHOOL'** as well as the appropriate year level/s so that you can receive school newsletters etc.

The latest version of Adobe Reader must be installed on your home PC to be able to read the alerts and newsletters. This does not apply to phones.

Due By Dates

Parents please note the importance of adhering to the due by dates for permission notes and payments.

While we do not wish your child to miss an incursion/ excursion, late payments make the task of organising events very difficult i.e. finalizing numbers and money.

We ask for parents to respect due by dates to help make this a more streamlined process for the admin and teaching staff.
