From The Principal.....

Welcome to Week 11, Term 2. The last week of the Term.

Staffing

Rachel Pascuzzo will be leaving Kilmore Primary School at the end of this term as she has secured a Leading Teacher position at another school. We are very sad that Rachel is leaving us as she is a dedicated and skilled teacher who always has student wellbeing as her priority. We are very pleased to advise that we have secured the services of Maureen Buggy for Term 3 in 5/6P.

I will be on Long Service Leave for the first 3 weeks of Term 3 and will be replaced by Jennene Cooney who will be Acting Principal in my place. Julie McCarthy will also be on leave for the first 3 weeks of Term 3 and will be replaced by Maree Scales, who is an experienced Student Wellbeing Officer. Brendan Thompson will also be assisting in the office during this time in a leadership role.

I would also like to wish the following staff members all the best for their approved leave, also commencing at the beginning of Term 3: Deb Molloy, Denise Newbury and Kathleen O'Callaghan.

3 Way Conferences

I hope that you have taken advantage of the opportunity to attend the 3 Way Conferences with your child/ren today as these conferences allow students to share and discuss some of the great work that they have been doing this semester. If you have not yet made an appointment, please ring the office before 4.30pm today to do so. Please remember that you can discuss your child's progress at any time during the year by contacting the classroom teacher to make a suitable appointment.

P-2 Toilet Block

I would like to advise that we will be opening the toilet block attached to the old school hall for students in Prep -2 to use during the day. The toilets will be opened in the morning before school and locked at 1.30pm to allow for cleaning before the After School Care Program uses the facilities. We trust that this will solve the problem of crowding in the new toilet block.

Please note that Term 2 concludes on Friday 28th June at 2.30 pm.
Term 3 commences on Monday 15th July at 8.50 am.

Community Association Funds

School Council has decided to allocate some of the funds raised by the Kilmore Primary School Community Association (KPSCA). In doing so, we must recognise the hard work and commitment put in by all of the past and present members of the Association over the years, and we would like to thank them for their efforts to provide better resources and facilities for our students.

Money has been allocated to: Building and Grounds projects - \$3000, and Student Wellbeing – Kids Matter projects \$2000

Well done to all of our students for the progress that they have made this semester. I hope that you all have a restful break and enjoy the holidays.

Kind regards
Denise Barker

A Message from the local Police.....

The local Police have informed us that they and the Mitchell Shire have been receiving an increasing number of complaints regarding traffic behaviour around the school. The Police will be increasing their presence in the vicinity at drop off and pick up times to insure that drivers are observing the road rules and will be issuing fines if necessary. In particular they will be targeting drivers who double park, park in no-stopping zones, over the footpath or in disabled parking spaces.

Please show your support by following the road rules at all times to ensure the safety of the children at Kilmore Primary School and their families.

As you know, our school has been participating in the Woolworths Earn & Learn program. The program has now finished for this year, so a big thanks to everyone who supported our school. We're now at the important stage of the program where Points Sheets are collected and lodged as our Earn & Learn claim. We will then be able to get new educational equipment for our school. The more we collect, the more we can redeem. So this week please send in your Woolworths Earn & Learn Points Sheets and any loose Earn & Learn Points Stickers you may have. Remember to check your handbag, the car glove box or they maybe stuck on the fridge. Every little bit helps. Thanks again for all your support!

Can you open your heart & home to a child today?

Berry Street is looking for families like yours who can provide emergency, respite, short and long term care for vulnerable children.

If you have room in your heart and home for a child then we want to speak with you.

Call today to discuss about becoming a foster carer on 1800 U FOSTER (1800 836 7831) or visit www.berrystreet.org.au

Attention bus travellers on Assumption College services -
Please be aware bus services will be operating on a reduced service timetable during the last week of term 2.
Monday 24th—Friday 28th June.

CHANGE OF DETAILS

Please notify the office immediately if you have changed any of your address or telephone contact information. It is imperative that this information is up to date in the case of an emergency.

Tiqbiz app update available

It will also improve app speed and support the new tiqbiz newsfeed platform. The update is available for phone and tablet apps. Computer app will automatically update.

Go to www.tiqbiz.com and click on 'help' to find out more. When installing and selecting your child/rens year level, please remember to select '**WHOLE SCHOOL**' as well as the appropriate year level/s so that you can receive school newsletters etc.

The latest version of Adobe Reader must be installed on your home PC to be able to read the alerts and newsletters. This does not apply to phones.

Tiqbiz support is available

BPAY

Bpay is available at Kilmore Primary School.

If you are unsure how to use Bpay please contact the office. It can take up to 3 days for payment to arrive from some banking institutions so please keep this in mind when making payments.

SPARE CLOTHES

As we approach the colder and wetter months we have students come to sick bay requiring a change of clothes and as a result our supplies are diminishing. Any spare tracksuit pants and/or socks that can be donated would be greatly appreciated.

Due By Dates

Parents please note the importance of adhering to the due by dates for permission notes and payments.

While we do not wish your child to miss an incursion/ excursion, late payments make the task of organising events very difficult i.e. finalizing numbers and money.

We ask for parents to respect due by dates to help make this a more streamlined process for the admin and teaching staff.

Thank you for your cooperation

WORKING WITH CHILDRENS CHECK (WWCC)

To be able to work with children in classrooms, assist in Sport sessions or to accompany a class on excursions, parents need to have a Working with Children's Check card.

You can apply for this at any Post Office. If you already have a WWC card please check that it is still valid and that you have shown your card at the school office so that we can update our records.

Working with
Children Check

The Art Room would like to make a mural for one of the school's outside walls using recycled plastic bottle tops of any colour. We are asking all families and friends to collect, wash and send these along to school. Thank you in anticipation.

Does anyone have some pieces of large outside plywood they don't need and could donate to the school?

Thank you in anticipation.

Fiona Dixon

The office has received notification of a case of Slapped Cheek or Human Parvovirus B19. Slapped cheek usually affects children between the ages of four and 10 but can happen at any age, even in adulthood. Most infections do not have any symptoms.

The first symptoms can include fever, headache, stomach upsets, aches and pains. This is the time when the virus can be spread to others, mainly through saliva.

A bright red rash appears on the cheeks three to seven days after getting the virus. The cheeks look like they have been slapped, hence the name.

Your child may also have a different rash on the chest, back, arms and legs. The infection looks like a pink lace pattern on the skin. The rash can come and go for several weeks, especially if the skin is exposed to sunlight or after exercise.

Children are not contagious once the rash has appeared, though if unwell should rest at home.

Please inform the school if your child is affected.

LOST PROPERTY

We have a large amount of unnamed items that will be held until the last week of term. Any unclaimed items will then be offered in a "quick sale" at the end of the day Wed 26th June—\$2.00 per piece. During Semester 2 we are considering a Parent Lost Property Roster. Please stay tuned for an expression of interest form.

Student Accident Insurance

Parents/guardians are responsible for paying the costs of medical treatment for injured students, including any transport costs.

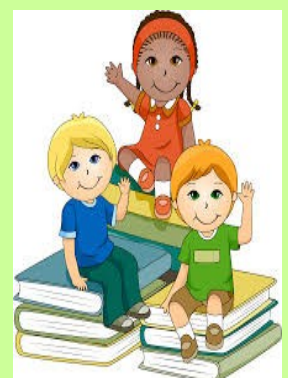

The Department cannot advise parents/guardians on whether to purchase a student accident policy or which policy to purchase.

It is recommended that they seek assistance in this matter with their insurance broker or find a suitable personal accident insurer in the Yellow Pages or online.

Tutors Wanted: Literacy

We have a number of parents inquiring about tutoring in the area of Literacy.

If you are interested please contact the office.

Oral language plays a vital role in the learning and lives of all young children. They learn to adjust their language to cater for different purposes and as children develop an understanding of predictable language patterns they begin to realise the potential of language and communication.

All Welcome

Buildings and Grounds Working Bee Friday 21st of June

The buildings and grounds committee would like to thank all who turned up for the first working bee of the year. It was a fantastic effort by all to give a hand and make the prep bulb area more presentable and a bit safer for the kids to work in. Everyone that came along all said they had a great time and felt good for doing something special for the kids.

We would like to extend a big thankyou to: Rachel Revill, Shan Rees, Brendan O'Donnell, Nicole Carmody, Linda Kosmer, David Mac Bean, Clare Mac Bean, Georgia Julier and Phil Zandt.

The kids that were here also had a great time too. Some were eager to put their hands up to work and move soil or mulch or just have a play with other kids.

The next working bee is on the 27th of July and will go from 9am to 12pm with a small BBQ and soft drinks after. This working bee will be concentrating on a small area where there is a large over grown climber and needs to be removed and depending on turnout there are other jobs that need doing around the school. So any help will be greatly appreciated.

For more details, please either call or email or leave your details with the office. You can contact the committee via either: Phil Zandt on Philip.Zandt@nab.com.au or 0410448061
David Mac Bean on david_macbean@vero.com.au or 0417505171

MITCHELL
SHIRE COUNCIL

Who will you Relay for?

Relay For Life is coming to Wallan

Do you have the passion to fight back against the disease that takes too much?

Relay For Life is more than just a fundraiser. It is an opportunity to get together with your community and **celebrate** cancer survivors, **remember** loved ones lost to cancer, and **fight back** against a disease that takes too much.

The inaugural Wallan Relay For Life will be taking place on Saturday 23 - Sunday 24 November at Hatfield Park.

Information Night

Come along to the information night and hear about the work of the Cancer Council and how you can get involved with Relay For Life.

Date: Wednesday 26 June at 7:00pm

Venue: Wallan Multi-Purpose Centre, 42 Bentinck Street

Get Involved

Enter a Team - Register online today or phone our Supporters' Hotline 1300 65 65 85 - it costs only \$20 to enter.

Become a Volunteer - Join the organising committee and help plan the event or help out on the day, both are rewarding and lots of fun! Many hands make light work, so if you are interested, please contact us by phone or email.

Volunteer Your Services at the Event - Whether you are a member of a band, a local business, or can run a family friendly activity, we would love to hear from you! Our aim is to make the event entertaining and fun for participants so if there is anything that you or your business can contribute to assist us in achieving this, please contact us by phone or email (details listed above).

Make a Donation - You can donate to a team, a team member or to the Wallan Relay For Life event.

Become a Corporate Sponsor - Are you part of an organisation and want to give back to the community. Contact us to discuss ways you can get involved and support this great event.
