Children's Week

Our Children's Week celebrations were an outstanding success last week, with many special events taking place – Book Fair, Maths Family Night, Teddy's Bears Picnic, Mini Fete, International DressUp Day, Bullystoppers Launch..... I would like to thank our dedicated staff for their fantastic efforts in organising these events.

Families took great advantage of our onsite Book Fair throughout the week. The proceeds from the Book Fair will go towards purchasing additional reading materials for classrooms.

We held our Bullystoppers launch on Thursday. The day commenced with a whole school assembly with special guests Cindy McLeish and our Police in schools Officer from Seymour. Helium balloons were released and students formed two large circles to shake hands and commit to 'Take a Stand and Lend a Hand'. You will have seen some new signage appearing around the school to promote of values of 'Kind, Proud, Safe' and a new Bullystoppers notice board in the foyer of the administration area.

Mini Fete

'From little things, big things grow' – what an amazing success our mini fair was on Thursday. Students and teachers, with the help of some very willing parent helpers, organised interesting, entertaining and tasty stalls – children were heard to comment that it was their best day ever. Thank you for all the positive feedback we have received. We will now plan for how we can make it bigger and better next year. Any money raised on the day will go towards resources for the 'Friendship Stop'.

2014 STATIONERY PACKS

Orders will only be placed for families that have returned the Stationery Pack form with payment to the office by Wednesday, 11 December 2013.

Young Leaders

Our School and Deputy School Captains spent the day at Wallan Secondary School last Friday. This was the conclusion to a Young Leaders program they have been involved in this year with other school leaders from local Primary Schools. Throughout the program they have gained valuable leadership skills that we hope they will continue to use and develop in high school.

Prep Scarecrow

Congratulations to our Prep students and Mrs Dixon on gaining first prize in the Kilmore scarecrow competition. Their entry was displayed outside the Kilmore Library on Saturday and was a crowd stopper. As I looked at the display I heard lots of extremely positive comments about the display. At this Friday's whole school assembly the students will be presented with a first place ribbon for their achievement. The preps will be presented with a first place ribbon at assembly this Friday.

Early Arrivals

We had a large number of students at school very early this morning. Parents are reminded that there is no supervision in the yard before 8.40 am. Students are not to be at school unsupervised prior to this time. Sutherland Street Childcare runs a before and after school program in our school hall for any families who need this service.

Have a great week

Information from the Office.....

Due By Dates

Parents please note the importance of adhering to the due by dates for permission notes and payments. While we do not wish your child to miss an incursion/ excursion, late payments make the task of organising events very difficult i.e. finalizing numbers and money. We ask for parents to respect due by dates to help make this a more streamlined process for the admin and teaching staff. Thank you for your cooperation

Conveyance Allowance

To be eligible to receive a conveyance allowance, a student must:

- be school age
- reside more than 4.8 kms by the shortest practicable route from the nearest school.

Applications must be submitted to the school by **Wed 6th November 2013** for Term 4. If your child is still currently enrolled at Kilmore Primary School and you **were paid** the Term 2 Conveyance Allowance instalment then the Term 3 instalment will be processed by the school on your behalf.

How to calculate the distance

The distance calculated should be based on the shortest practical route from the front gate of the student's address to the front gate of the school campus. Bing Maps is the DEECD's choice of online applications to calculate the distance <http://www.bing.com/maps>

Parents/guardians must notify the school in writing within seven days of any changed circumstances.

All queries relating to eligibility and payments of the Conveyance Allowance should be directed to the school office.

LATE APPLICATIONS CANNOT BE PROCESSED

*To use BPay you will need the Biller Code for Kilmore Primary School as well as your own **UNIQUE Reference Number**. You will find both these numbers on your family statement.*

*As with Credit Cards and EFTPOS, a **minimum of \$10** per transaction will apply.*

BPay transactions are not instant, therefore excursion and camp payments will need to be made at least 48 hours prior to the payment due date to ensure they are processed by the bank and reach the school in time for your child to attend the event.

*It is important to remember when paying via BPay that you **return the notice/ permission slip to school** so that payments through our bank can be correctly matched to your family account.*

Please indicate your method of payment on the return slip.

Please note

If you choose to pay for a specific school related expense via BPAY you must notify the school by email at kilmore.ps@edumail.vic.gov.au that this payment has been made. If a BPAY payment is made without notification of items you wish to allocate the payment against, the oldest outstanding debt will be credited.

If you have any queries please do not hesitate to contact the school office.
