***From The Principal.....***

Hi Everyone

Welcome to Week 5, Term 4. Goodness me, how the time is flying! Today we have beautiful spring weather and a warm sunny day, however, we have to be proactive in protecting our students and children from harmful UV rays, and follow the procedures in our Sun-smart policy.

**Hats**

There are still a number of students without school hats. Our Sunsmart Policy states that students must wear an approved hat when outside during Term 1 and Term 4, otherwise they will be asked to go to an undercover area. This also means that they may not be able to fully participate in outdoor classes. Please ring the office if you would like to order a school hat.

**Sunscreen**

If you would like to send sunscreen to school for your child to use, please make sure the container has your child's name on it. Time will be given in the classrooms before recess and lunchtimes for the application of sunscreen.

**Life Education Van**

There has been much excitement over the visit of the Life Education Van this term. It is such a special environment with loads of visual and interactive activities during each session. The younger students are always keen to meet Harold and ask lots of great questions!

**2014 STATIONERY PACKS**

Orders will only be placed for families that have returned the Stationery Pack form with payment to the office by Wednesday, 11 December 2013.

### **Walk to School Day – Friday 8<sup>th</sup> November**

We look forward to meeting as many of our students, parents and grandparents as possible for our annual Walk to School Day on Friday. Come dressed in lots of colourful fancy footwear to make this the biggest and most colourful Walk to School Day ever. We meet at Hudson Park at 8.00 am and you can collect a special show bag for taking part in the event.

### **Spanish Language Program**

We are well underway with our plans and organisation to begin our Spanish Language Program next year. We have a special working party planned for next week, we have advertised for a Spanish Language Teacher and we are just finalising the details for a Sister School in Spain. How exciting! We will hold a Parent Information Evening closer to the end of the year to share all of this information with you.

### **Parent Requests for 2014 - Date Extended to Monday 8<sup>th</sup> November.**

If your child has a particular social, emotional or educational reason that we might need to consider when planning his/her Grade placement for next year, please let us know in writing by Monday 8<sup>th</sup> November. Envelopes should be addressed to the Principal and marked Confidential. Please note that requests for individual teachers will not be accepted.

Have a good week

Principal

## *The Beautiful Queensland Beach*

*The wind whistled against my ears as the  
waves crashed and the sand reeked of shells and water.*

*All the seagulls over populated the beach and made it as loud as a  
stadium with an over flowed grand final.*

*The mist covered the isolated beach with a frightening touch.*

*The hot sand comforted my feet as they trotted one in front  
of another making a penetrating piercing sound.*

## Information from the Office.....

### Due By Dates

Parents please note the importance of adhering to the due by dates for permission notes and payments. While we do not wish your child to miss an incursion/ excursion, late payments make the task of organising events very difficult i.e. finalizing numbers and money. We ask for parents to respect due by dates to help make this a more streamlined process for the admin and teaching staff. Thank you for your cooperation

### Conveyance Allowance

To be eligible to receive a conveyance allowance, a student must:

- be school age
- reside more than 4.8 kms by the shortest practicable route from the nearest school.

Applications must be submitted to the school by **Wed 6th November 2013** for Term 4. If your child is still currently enrolled at Kilmore Primary School and you **were paid** the Term 2 Conveyance Allowance instalment then the Term 3 instalment will be processed by the school on your behalf.

#### How to calculate the distance

The distance calculated should be based on the shortest practical route from the front gate of the student's address to the front gate of the school campus. Bing Maps is the DEECD's choice of online applications to calculate the distance <http://www.bing.com/maps>

Parents/guardians must notify the school in writing within seven days of any changed circumstances.

All queries relating to eligibility and payments of the Conveyance Allowance should be directed to the school office.

### **LATE APPLICATIONS CANNOT BE PROCESSED**

*To use BPay you will need the Biller Code for Kilmore Primary School as well as your own **UNIQUE Reference Number**. You will find both these numbers on your family statement.*

*As with Credit Cards and EFTPOS, a **minimum of \$10** per transaction will apply.*

*BPay transactions are not instant, therefore excursion and camp payments will need to be made at least 48 hours prior to the payment due date to ensure they are processed by the bank and reach the school in time for your child to attend the event.*

*It is important to remember when paying via BPay that you **return the notice/ permission slip to school** so that payments through our bank can be correctly matched to your family account.*

*Please indicate your method of payment on the return slip.*

#### **Please note**

If you choose to pay for a specific school related expense via BPAY you must notify the school by email at [kilmore.ps@edumail.vic.gov.au](mailto:kilmore.ps@edumail.vic.gov.au) that this payment has been made. If a BPAY payment is made without notification of items you wish to allocate the payment against, the oldest outstanding debt will be credited.

If you have any queries please do not hesitate to contact the school office.
