opportunities for children and young people by providing them with education and support networks. School helps people to develop important skills, knowledge and values that set them up for further learning and participation in their community.

Students are expected to attend Kilmore Primary School during normal school hours every day of each term unless:

- There is an approved exemption from school attendance for the student
- The student has a dual enrolment with another school and has only a partial enrolment in Kilmore Primary School, or
- The student is registered for home schooling and has only a partial enrolment in Kilmore Primary School for particular activities.

Both schools and parents have an important role to play in supporting students to attend school every day.

Kilmore Primary School believes all students should attend school all day, every day when the school is open for instruction and is committed to working with its school community to encourage and support full school attendance.

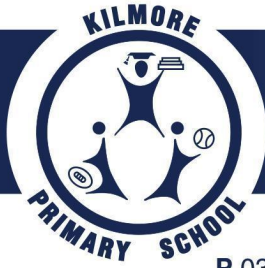

Our school will identify individual students or cohorts who are vulnerable and whose attendance is at risk and/or declining and will work with these students and their parents to improve their attendance through a range of interventions and supports.

Students are committed to attending school every day, arriving on time and are prepared to learn. Our students are encouraged to approach a teacher and seek assistance if there are any issues that are affecting their attendance.

Kilmore Primary School parents are committed to ensuring their child/children attend school on time every day when instruction is offered, to communicating openly with the school and providing valid explanations for any absence.

Parents will communicate with the relevant staff at Kilmore Primary School about any issues affecting their child's attendance and work in partnership with the school to address any concerns.

Parents will provide a reasonable explanation for their child's absence from school and endeavour to schedule family holidays, appointments and other activities outside of school hours.

Supporting and promoting attendance

Kilmore Primary School's *Student Wellbeing and Engagement Policy* and the Kilmore Primary School's *'Wellbeing Way' Manual* supports student attendance.

Our school also promotes student attendance by:

- providing Breakfast Club
- providing lunchtime clubs, providing an opportunity for our students to interact around interest-based activities and build social connections in a small group format
- holding House Competitions
- School Wide Positive Behaviour Support (SWPBS) models and initiatives (such as bee-tickets, the Beehive and Bee Ticket Bonanza)
- having a Wellbeing team with clear roles and responsibilities

Recording attendance

Kilmore Primary School must record student attendance twice per day. This is necessary to:

- Meet legislative requirements
- Discharge Kilmore Primary School's duty of care for all students

Attendance will be recorded by the classroom teacher at the start of the school day and after lunch using Compass, which is backed up to CASES21.

If students are in attendance at a school approved activity, the staff in charge of the activity will record them as being present.

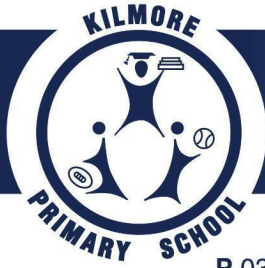

Recording absences

For absences where there is no exemption in place, a parent must provide an explanation on each occasion to the school.

Parents should notify Kilmore Primary School of absences by *contacting the office via phone, email or Compass, whether it is planned or unplanned.*

If a student is absent on a particular day and the school has not been previously notified by a parent, or the absence is otherwise unexplained, Kilmore Primary School will notify parents via email, which is automatically generated through Compass via text message. Parents can then click on the link to open the Compass app and enter a reason for the absence. Kilmore Primary School will attempt to contact parents as soon as practicable on the same day of the unexplained absence, allowing time for the parent to respond.

If contact cannot be made with the parent (due to incorrect contact details), the school will attempt to make contact with any emergency contact/s nominated on the student's file held by the school, where possible, on the day of the unexplained absence.

Kilmore Primary School will keep a record of the reason given for each absence. The Assistant Principal (Positive Climate for Learning) will determine if the explanation provided is a **reasonable excuse** for the purposes of the parent meeting their responsibilities under the *Education Training Reform Act 2006* and the School Attendance Guidelines.

If Kilmore Primary School considers that the parent has provided a **reasonable excuse** for their child's absence the absence will be marked as '**excused absence**'.

If the school determines that no reasonable excuse has been provided, the absence will be marked as '**unexcused absence**'.

The Assistant Principal (Positive Climate for Learning) has the discretion to accept a reason given by a parent for a student's absence. The Assistant Principal (Positive Climate for Learning) will generally excuse:

- Medical and dental appointments, where out of hours appointments are not possible or appropriate
- Bereavement or attendance at the funeral of a relative or friend of the student, including a student required to attend Sorry Business
- School refusal, if a plan is in place with the parent to address causes and support the student's return to school
- Cultural observance if the parent/carer notifies the school in advance
- Family holidays where the parent notifies the school in advance

If no explanation is provided by the parent within 10 school days of an absence, it will be recorded as an 'unexplained absence' and recorded on the student's file. Parents will also be sent weekly school letters with their students not present/late: unexplained absences code to allow parents the opportunity to provide a reason for their child/ren's absence via compass and also via hard-copy mail.

Managing non-attendance and supporting student engagement

Where absences are of concern due to their nature or frequency, or where a student has been absent for more than five days, Kilmore Primary School will work collaboratively with parents, the student, and other professionals, where appropriate, to develop strategies to improve attendance, including:

- Establishing an Attendance Student Support Group
- Developing and implementing a [Student Attendance Improvement Plan](#) (staff link)
- Develop and implement a student support plan
- Implementing a [Student Absence Learning Plan](#) (staff link) for students who will be absent for an extended period

- Arranging for assistance from the school's Primary Welfare Officer and/or the Assistant Principal (Positive Climate for Learning)
- Engaging regional support services such as the Student Support Service (SSS) team and Koorie Education Support Officers (KESO's) for targeted individual supports

We understand from time to time that some students will need additional supports and assistance, and in collaboration with the student and their family, will endeavour to provide this support when it is required

Referral to School Attendance Officer

If Kilmore Primary School decides that it has exhausted strategies for addressing a student's unsatisfactory attendance, we may, in accordance with the School Attendance Guidelines, refer the non-attendance to a School Attendance Officer in the Department's North eastern Victoria region (nevr@education.vic.gov.au or 1300 333 231) for further action.

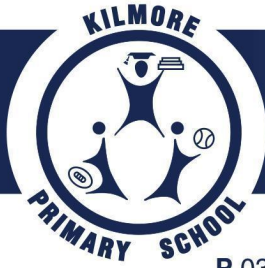

If, from multiple attempts to contact with a parent, it becomes apparent that a student will not be returning to the school, the Assistant Principal (Climate for Positive Learning) may make a referral to a School Attendance Officer if:

- The student has been absent from school on at least five full days in the previous 12 months where:
 - The parent has not provided a reasonable excuse for these absences; and
 - Measures to improve the student's attendance have been undertaken and have been unsuccessful
- The student's whereabouts are unknown and:
 - The student has been absent for 10 consecutive school days; or
 - No alternative education destination can be found for the student.
