Principal's Report – Week 4, Term 2

Dear Kilmore Primary School Community,

### Honouring Our Education Support Staff – ES Day 2025

Today marks a very special occasion in our school calendar—**Education Support (ES) Day**. It is a moment where we pause and reflect on the immense contribution made by our Education Support Staff at Kilmore Primary School. These exceptional individuals work daily to provide tailored, compassionate, and responsive support to many of our students—particularly those with complex learning, social, emotional, or behavioural needs. Their work is often discreet, yet it forms the foundation of what makes Kilmore a safe, inclusive, and caring learning environment.

Our ES staff are mentors, calm voices in moments of crisis, literacy and numeracy coaches, emotional anchors, and fierce advocates for our most vulnerable learners. They bring expertise, warmth, and consistency to the learning spaces they support, and the relationships they build with students are often life-changing.

They collaborate closely with our teaching staff, parents, wellbeing teams, and therapists to ensure every child gets what they need—not just academically, but holistically. They notice the small things: a drop in mood, a spark of progress, a moment of bravery. They celebrate growth, no matter how small, and they never stop believing in the potential of our students.

To our incredible ES team: **thank you**. Your work makes a difference, not just in student outcomes, but in student lives. Your care, commitment, and kindness are deeply appreciated by the entire school community.

Please take the time to thank a member of our ES team today—they are, truly, the unsung heroes of our school.

### Cross Country – A Day of Pride, Participation, and Persistence

What an outstanding day we shared with our whole-school **Cross Country event**! The spirit of perseverance, encouragement, and joy was truly on display as students from across all year levels took to the course, supported by cheering staff, families, and peers.

Events like Cross Country showcase so much more than physical fitness. They highlight personal growth, resilience, team spirit, and confidence. Whether students ran to place or walked to finish, their commitment and participation are what made today special.

A **very special thank you** must go to **Ms Jacqui Nelson** and **Mr Richie Boyer**, whose planning and leadership ensured the smooth delivery of the event from start to finish. The logistics behind such an event are immense—from race schedules, marshalling points, signage, and safety protocols to student supervision and engagement. Both Jacqui and Richie demonstrated outstanding organisation, professionalism, and positivity, and we are very grateful for their efforts.

To every student who participated: we are proud of you. To every staff member and parent who supported and encouraged: thank you.

Today reflected the best of who we are as a school community.

Principal's Report – Week 4, Term 2 continued

### A Community Call to Action – Road Safety Reminder

It is with concern that I share with you some recent feedback from members of our local Kilmore community regarding student behaviour when travelling to and from school—particularly those riding bicycles.

We have received reports of unsafe practices such as:

- Students riding on roads without helmets
- Swerving around pedestrians on footpaths
- Ignoring road rules and traffic signals
- Using offensive language towards members of the public when corrected
- Riding in large groups in an unsafe manner across driveways or intersections

As educators and parents, we share a common responsibility to ensure the safety of our children, and it is essential that we model and reinforce **road safety expectations**.

### Students who ride to and from school must:

- Always wear a securely fastened helmet
- Walk their bike or scooter across designated crossings
- Ride safely, predictably, and be mindful of pedestrians
- Walk their bikes once inside school grounds
- Refrain from riding on the roads unless appropriately trained and accompanied

The school will be following up with students directly about safe riding behaviours, but we are also asking for your support at home. Please speak with your child about their travel routines. If they are independent travellers, remind them that their actions represent not just themselves, but our school.

Let's work together to make our roads and paths safe for everyone. The safety and reputation of our students and our broader school community—depend on it.

Warm regards,

**Michael Nicolaides**

## FINANCIAL ASSISTANCE INFORMATION FOR PARENTS

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government's commitment to breaking the link between a student's background and their outcomes.

### CAMPS, SPORTS & EXCURSIONS FUND (CSEF)

School camps provide children with inspiring experiences in the great outdoors. Excursions encourage a deeper understanding of how the world works while sports teach teamwork, discipline and leadership. All are a part of a healthy curriculum.

CSEF is provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is:

- \$150 for primary school students
- \$250 for secondary school students

### MORE INFORMATION

For more information about CSEF visit:

<https://www.education.vic.gov.au/about/programs/Pages/csef.aspx>

### HOW TO APPLY

New applicants should contact the school office to obtain a CSEF application form or download from the website below.

If you applied for CSEF at your child's school last year, you do not need to complete an application form this year unless there has been a change in your family circumstances.

You only need to complete an application form if any of the following changes have occurred:

- **new student enrolments;** your child has started or changed schools this year.
- **changed family circumstances;** such as a change of custody, change of name, concession card number, or new siblings commencing this year.

Check with the school office if you are unsure.

# Safety around schools

Everyone has a responsibility

## Make school time safe for everyone

Please take extra precautions when dropping children off and picking them up from school. Children are still learning the road rules and can be unpredictable and difficult to see.

Important things to remember:

- Travel at a maximum of 40 km/h
- Never use a mobile phone while driving
- Always follow the crossing supervisor's instructions
- Allow extra time so you don't need to rush
- Consider parking a few streets away and enjoy a walk

Together, let's reduce speeds and improve safety for all children.
