Grade 5 Leadership Speeches

For the last few weeks, the Grade 5 students have been writing their speeches on why they would make a good school leader for next year.

Last week, they had the exciting opportunity to present their speeches to all the Grade 5 and the Grade 4 students. They were all very brave and did a fantastic job! Well done to all.

A huge thank you to everyone involved and a special thank you to the Grade 4 students and teachers that took time to come down and watch!

Thanks and Gratitude - Library Helpers

Yesterday afternoon we had a fabulous turn out of staff and parents to take the next steps with our library revitalisation project. Our band of helpers organised a huge spring clean of our library area in preparation for the major refurbishment that is coming in December and January. As you will see from photos elsewhere in the newsletter, our library has been well and truly decluttered and prepared for the remodelling that is to come. At the start of the 2023 school year, our library will open once again having been repurposed as a modern library and a collaborative working space for students, staff and community members. This is an exciting project for our school and our new library space will become the heartbeat of our school in the years ahead.

Learning Highlight: Stop Motion

Across our school, students having been highly engaged in creating Stop Motion animations as part of our writing program. Stop Motion is an animation app which allows students to create animated short movies using characters made from clay or playdough, similar to the animation style of Wallace and Grommit. Students have loved this learning opportunity and our teachers have remarked on the engagement and enjoyment that our students have demonstrated in developing their animated stories.

F to 2 Fun Night

This afternoon our Foundation to Grade 2 students are taking part in their "Fri-Yay Fun Night" at KPS. Students will get the opportunity to stay a little longer than usual and to take part in some enjoyable teambuilding and problem-solving activities. Our F to 2 teachers have put a lot of thought and energy into the evening and I am looking forward to being involved in the activities myself. I would like to thank our F to 2 teachers for the work they have put into preparing for this event. At a time of year when our teachers are busily completing reports on their weekends, our F to 2 teachers have worked very hard to ensure that our F to 2 students get this enjoyable experience.

School Review - Community Survey

In Term 1 of 2023, KPS will be undertaking its four yearly School Review. The School Review process, which is facilitated by an external school reviewer and a Senior Education Improvement Leader from the Department of Education, provides schools with the opportunity to reflect on their achievements and set goals for the next four years. As part of the review process, we would value feedback from our community on what we are doing well at KPS and areas where we can improve our services. In the coming days I will be sending a feedback survey to allow us to gain your valuable feedback. If you are interested in participating in a community focus group, there will also be the opportunity to identify this within the survey.

OSHC

On Wednesday, families who use the Sutherland Street OSHC service were notified by the current provider that they will be ceasing their OSHC service at the end of the 2022 school year. I would like to reassure our families who use the OSHC service that our School Council is currently working through the process of selecting a new OSHC provider for the 2023 school year. An OSHC service will be in place at Kilmore Primary School for the start of the new school year and we are looking forward to having an exciting and engaging OSHC program for our students and families. Families will be notified of our new OSHC provider in mid-December and the new provider will then begin the process of transitioning current and future students into the 2023 service.

All the best,

Neil O'Sullivan
Principal

Hi, I'm Tilly from 5S!

I have been growing my hair for the last 18 months to donate and raise funds to help kids with cancer in Australia. A wig helps kids to feel like themselves again and improve their confidence and self-esteem as they undergo treatment.

Please donate to my Wigs 4 Kids fundraiser, and share with your family and friends. Your **KIND** donation, no matter how big or small, will allow Kids with Cancer Foundation to continue their support and help relieve the financial burden to families with children undergoing cancer treatment.

TOGETHER we can make a difference to other kids!

'Give the Mo a Go' Day.

On Wednesday 30th November, KPS will be holding the 4th Annual 'Give the Mo a Go' Day.

Students will be able to bring in their own unique and creative Moustache and wear it throughout the day.

This will be a fundraising opportunity where students can bring in a gold or silver coin donation, with the proceeds going straight to my Movember Page.

This month does mean a lot to me, so to have the school community support will be amazing.

If you would like to donate, please click the link below:

LIBRARY NEWS!

This was not the work of wizards, fairies, goblins or Oompa Loompas. This is the magic of a group of generous volunteers and staff who worked tirelessly to empty the library space, ready for the next phase of the library rejuvenation project. Over the next few weeks we will have visits from various trades, followed by the delivery and install of the new furniture and finally the returning of all resources to the new shelves! We can't wait to show you the new space!

**PLEASE
RETURN
YOUR
OVERDUE
LIBRARY
BOOKS
NOW!**

Hi everyone!

With the library rejuvenation just around the corner we are getting prepared for the temporary closure of the library space and request that all overdue library books are returned to the library now so they can be stored away. Books borrowed this or next week are not required to be returned yet, only books which have been borrowed for longer than two weeks are considered overdue.

Notices will be issued next week to any students who have not returned their overdue books so please have a look around your home and in your child's belongings to avoid receiving a notice, they are in there somewhere!

We are so excited to show you our rejuvenated library space at the end of the year!

Thank you!

Drink Bottles

Reminder all students need to bring a drink bottle to school.

We have 2 Disability reserved spaces at the front of the office on Sutherland Street and two reserved spaces on Lancefield Road.

If you do not hold a valid permit please DO NOT PARK in these spaces.

COLLECTING YOUR CHILD FROM SCHOOL EARLY

We would like to make families aware of our pick up procedures for collecting students early.

Staff can only arrange for children to come to the office once a parent/guardian arrives at the office.

Children cannot be waiting for parent/guardians in the office prior to your arrival.

Please allow an extra 5 to 10 minutes prior to needing to depart the school.

Please also be mindful that it is difficult for children to hear announcements whilst out in the playground enjoying themselves, should you need to collect them during break times it may take us quite a bit longer.

Helping Hands Hub

Kilmore Primary School is inviting parents and carers to get actively involved in supporting our school community. Helping Hands Hub (**HHH**) is an opportunity for you to connect with the school and meet others, in a casual and relaxed environment.

HHH jobs include a wide range of simple tasks from around the school, mostly taking place in the comfort of the library. You could be doing anything from tidying up the library and stamping books to cutting out and laminating letters for classroom display. You won't be asked to do anything you're not comfortable with and you will be given instructions on how to do it!

ASSUMPTION COLLEGE

Dear Neil,

After the very tumultuous past few months, we'd like to invite you and your school community to come and have some FUN! Assumption College is once again hosting its annual *Pop-Up Theme Park* 'RURBAN' (RURal meets urBAN, for those who were wondering!).

RURBAN successfully launched in 2019 with all of the big rides and a number of side attractions, but it was in 2021 when we hosted 10,000 patrons to celebrate the end of COVID-19 restrictions that the event really made a name for itself. In 2022 we'd like to invite you and your school community to join us in a celebration of the very best of our region with people from all across our region!

Carnival rides!

Carnival ride ticketing is available in a variety of packages. More information about ticket package options and purchase can be found [here](#).

Looking for a 'home base' for the day? Families can hire a marquee!

Make it easy to gather together to enjoy good food, company and entertainment with a 'home base' as you sample the delights of RURBAN. Families will love the opportunity to provide their kids with somewhere to come and go from, while older members of the group will appreciate a respite! Sessions will be available across the entire weekend. Visit the RURBAN [website](#) for more information about marquee booking options.

Fine Dining and Fireworks

Looking for something a little more special? For those who'd like to gather with some colleagues, friends or family for Fine Dining on Saturday evening (rather than the 'food of the fair'), this may be the option for you! Gather in the newly opened beautiful Neale Daniher Community and Sports Pavilion for a fully catered fine dining experience. Following a 3 course menu curated by two Assumption College graduates now working in first class restaurants across Australia, this package offers the best seats in the house to watch the fireworks display from the Pavilion balcony. Tables of 8, 10 and individual tickets are available. Tickets are \$150 and include alcoholic and non-alcoholic drinks. Bookings are essential [here](#).

Colouring Competition

This year, we are introducing a RURBAN colouring competition – a great opportunity to showcase the budding Picassos of our community! The design has been attached to this email and is available for download from the RURBAN [website](#). Simply colour in the design and upload the entry via the RURBAN website. The competition is open now to children aged between 5 and 12 and will close at 5pm on November 23. Entries are limited to one per child.

We have attached some flyers and materials to assist with communication to your school community and would be delighted to supply hard copy materials should you need support with this. A program of events for RURBAN will become available in the week leading into the event via the RURBAN [website](#).

We look forward to celebrating with you, your staff, your family and friends very soon. Don't miss out on the opportunity to show your people that you value them and you value 'local'.

Kind regards,

Kate Fogarty
Principal
