Thank-you Thank-you Thank-you

Hi KPS Community,

This is a message to personally say THANK YOU!!!!

The last month has been amazing, and that goes to the incredible support from staff, parents and the wonderful students.

I am so proud to say that with your help, the total raised for Movember was \$1,243.55.

I started my goal at only \$500, but to see this amount is overwhelming and amazing.

To Daniel (6B) and Max (6M) for helping promote and push Moustache Day, I thank you for the work you did to support this cause.

To the staff who got around the day to "give the mo a go" was awesome to see. It made the day feel super special.

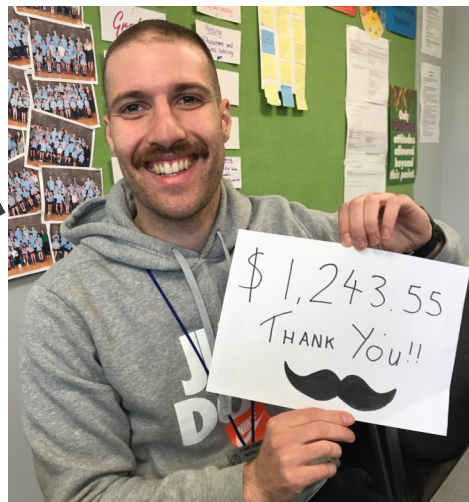

To the wonderful parents who donated and supported this, you all were a massive part of helping me reach my goal.

And of course, to the students who got around the day by wearing a mo. You all have such big hearts and should know the impact you made by doing such a small things is simply amazing for so many people who are struggling.

What we have been able to achieve will help so many men, who are going through really tough times with mental and physical health.

So thank you so much for this whole month. This could not have been done without you.

Mr Babic
